SWITZERLAND

SAVE THE DATE ...

... FOR THE UPCOMING ONLINE-FORUM „COMPOSITES AND SUSTAINABILITY“, TUESDAY, 29TH OF JUNE – THURSDAY, 1ST OF JULY 2021

DEAR MEMBERS OF COMPOSITES UNITED AND PARTNER ASSOCIATIONS,

We are glad to inform you that Composites United Switzerland is organising an online event where all players in the field of composites and hybrid materials can get informed, meet, interact and discuss about sustainability, circular economy and recycling.

The event is going to be held online and will be promoted internationally. You will be able to meet players from all over Europe.

See, the latest developments in recycling and circularity for composites
Learn, how hybrid materials and lightweight design can be solutions for sustainability.
Meet leading people of European composites industry and research.
Don't miss this unique opportunity.

AGENDA

all times are CET (Zurich/Berlin/Paris/Rome/Amsterdam time)

TUESDAY, 29TH JUNE

9 am - 11 am: Keynote and presentations on recycling and sustainability in general

1 pm - 3 pm: Keynote and presentations on recycling and sustainability in general

Parallel sessions for matchmaking and “Meet the Speaker”

WEDNESDAY, 30TH JUNE

9 am - 11 am: Keynote and presentations on mobility

1 pm - 3 pm: Keynote and presentations on mobility

Parallel sessions for matchmaking and “Meet the Speaker”

THURSDAY, 1ST JULY

9 am - 11 am: Keynote and presentations on life cycle assessment

1 pm - 3 pm: Panel discussion: **“REACHING THE NEXT LEVEL ON THE WAY TO A HOLISTIC APPROACH FOR COMPOSITE RECYCLING”**

Parallel sessions for matchmaking and “Meet the Speaker”

More details and a registration link are going to be provided soon.
Members (CU and partner associations) will get a discount on tickets and sponsorship fees.

CALL FOR PAPERS

WE WOULD LIKE TO INVITE YOU ...

... to submit an abstract for a presentation (either 30 minutes keynote or 15 minutes presentation) on the topics of sustainability/recycling/life cycle assessment (in general or specific to mobility), linked to the usage of composites, to be held at the

ONLINE-FORUM "COMPOSITES AND SUSTAINABILITY",
TUESDAY, 29TH OF JUNE – THURSDAY, 1ST OF JULY 2021

DEADLINES

- > Abstract submission deadline by May 14, 2021
- > Notification of acceptance by May 21, 2021
- > Complete papers due by June 18, 2021

For the abstract, please submit the title and short description (50-100 words) of your intended presentation. As the conference is going to be held in English, we ask you to provide your abstract solely in English.
