# OUR MISSION - THE TIME FOR LIGHTWEIGHT CONSTRUCTION IS NOW!

# THE FIRST CROSS-MATERIAL AND CROSS-TECHNOLOGY PLATFORM FOR LIGHTWEIGHT SOLUTIONS

Lightweight construction provides solutions for what matters today - entrepreneurially, politically, ecologically. LightCon focuses on lightweight construction solutions across materials and technologies. As a company you can you can convince customers from all sectors. As a user, you can experience the competition between materials and technologies.

# NEW PERSPECTIVES, IDEAS, SOLUTIONS IN THE CONFERENCE

The stage belongs to the key technology of lightweight construction. With lightweight materials and innovative processes for new components and solutions, resources can be saved, emissions reduced, the climate protected, but also performance and economy increased. This is what we want to discuss!

#### **NETWORKING: SEIZE CHANCES TOGETHER!**

In face-to-face exchanges, new perspectives open up, ideas emerge and solutions can be optimised. LightCon provides the right platform for networking..

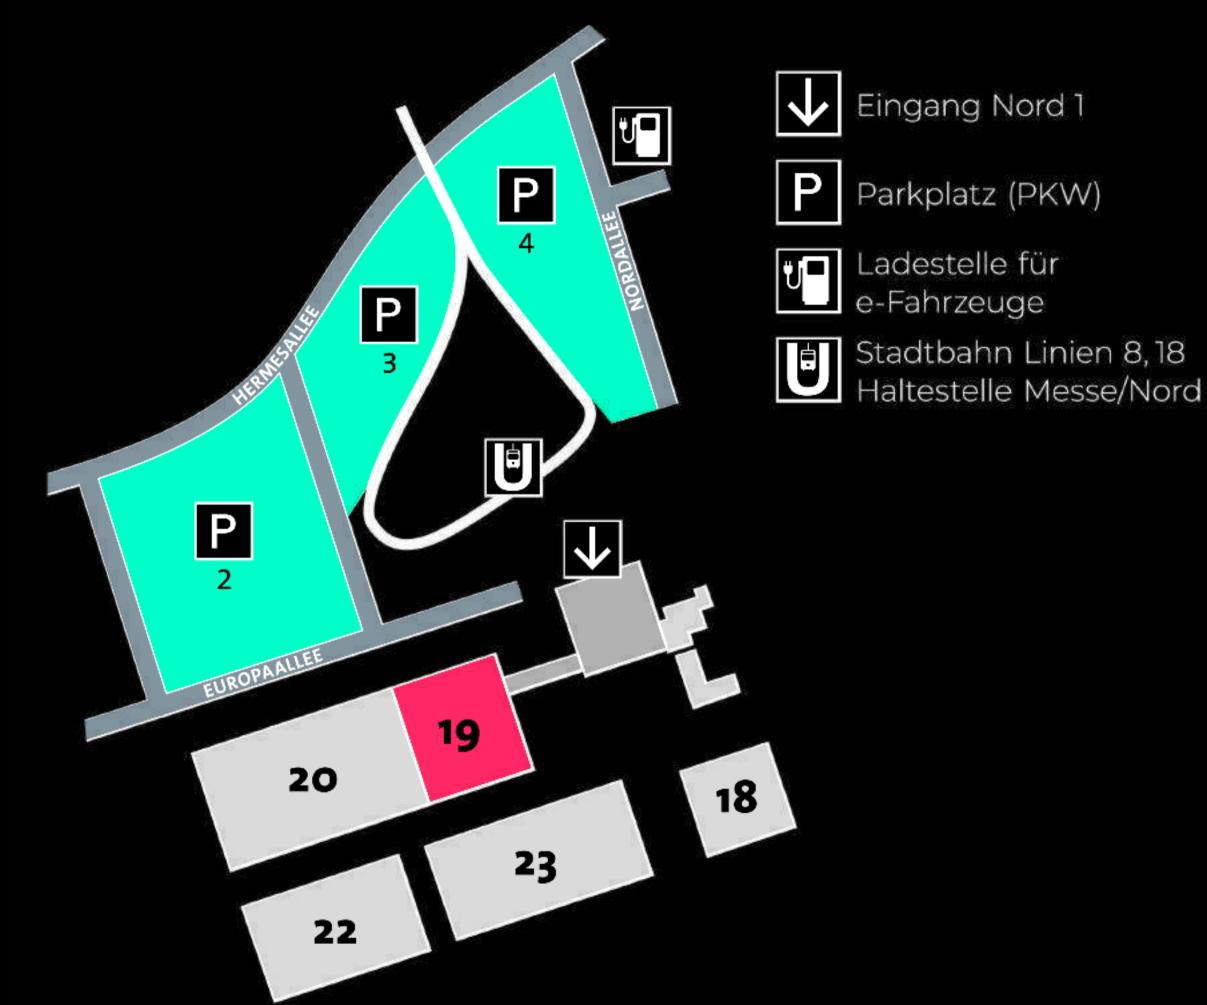

## IN THE RIGHT PLACE -AT THE RIGHT TIME

#### DATE

13 - 14 June 2023, 9 am - 6 pm (annual rotation)

#### **LOCATION**

- Hall 19/20 the most modern hall at Hannover **Exhibition Grounds**
- Directly connected to the entrance NORTH 1 and the public transportation
- Plaza for Showcases or the evening event

## BUNDLED KNOWLEDGE AND CONCRETE SHOWCASES

# LIGHTCON INTEGRATED CONFERENCE AND EXHIBITION

The LightCon Conference is two full days of expert programming in English with top-class keynotes, panels and best practices. In parallel sessions, international experts from industry, research and associations take to the stage.

The lively exchange also comes about through live presentations and showcases in the exhibition area - all practical, relevant and hands-on.

A close connection between the programme and the exhibition is required, and Hall 19 offers ideal conditions for this. Here, the conference and exhibition areas are spatially closely linked.

# EXPERT PROGRAMME: FOCUS ON GLOBAL CHALLENGES

# THE CONFERENCE MOTTO 2023: LIGHTWEIGHT DESIGN AS THE ANSWER TO ENERGY AND MATERIAL SCARCITY

Due to urgent challenges in industry and politics, including energy and material shortages and their increasing cost, lightweight construction solutions are more in demand than ever.

Especially in times of shortage, the decisive added value as well as the high innovative power and technological potential of lightweight construction solutions becomes apparent.

Lightweight construction offers the right solutions for global issues such as resource efficiency or climate protection and this will also be evident in the expert program and the four thematic focal points of the 2023 conference.

SUSTAINABLE MATERIALS

LIGHTWEIGHT DESIGN AS THE ANSWER TO ENERGY AND MATERIAL SCARCITY

EFFICIENT PRODUCTION

NEW ENERGY SOLUTIONS

CIRCULAR ECONOMY

#### **EXHIBITION TOPICS**

# CROSS-TECHNOLOGY AND CROSS-SECTOR

The exhibition focuses on key aspects along the the entire value chain:

- MATERIAL TRENDS
- INNOVATIVE MANUFACTURING SOLUTIONS
- SYSTEM SOLUTIONS
- CONSTRUCTIONS
- LIGHTWEIGHT CONSTRUCTION CONCEPTS

#### LIGHT CONSTRUCTION MATERIALS, SEMI-FINISHED PRODUCTS AND ELEMENTS

CONSULTING, SERVICES AND SUPPORT

CAD, CONSTRUCTION AND DESIGN

DIGITAL TWIN, VIRTUAL TESTING, PROCESS AND FEM SIMULATION, VIRTUAL FACTORY

INNOVATIVE
MANUFACTURING TECHNOLOGIES
(ADDITIVE AND SUBTRACTIVE)

SEPARATING AND JOINING PROCESSES

SUSTAINABILITY (LIFECYCLE, DESIGN, RECYCLING)

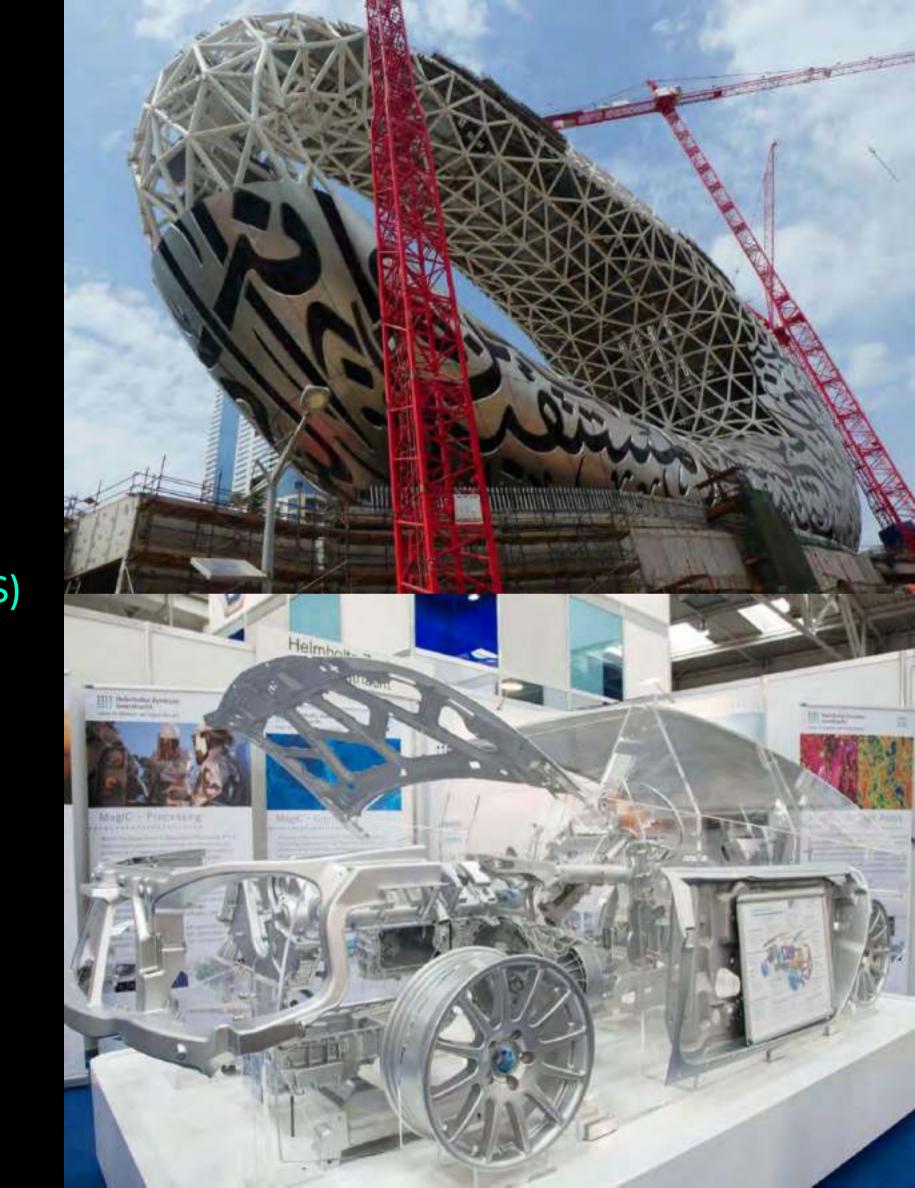

APPLICATION-SPECIFIC LIGHTWEIGHT SOLUTIONS

OPTIMIZED REFINISHING AND QUALITY ASSURANCE

# LOOKING FOR SUITABLE SOLUTIONS: LIGHTCON VISITORS

The visitors of LightCon are developers, designers, constructors, purchase managers and executives from all user industries:

AUTOMOTIVE INDUSTRY (INCL. COMMERCIAL VEHICLES)
AEROSPACE INDUSTRY
TRANSPORT AND MOBILITY (BUS, RAILK, BICYCLES)
SHIP BUILDING/BOAT AND YACHT BUILDING
AGRICULTURE
MECHANICAL AND PLANT ENGINEERING
CONSTRUCTION
WIND ENERGY
SPORT AND LEISURE
MEDICAL TECHNOLOGY

## LIGHCON CONVINCES: THAT'S WHY YOU SHOULD PARTICIPATE

#### **1** MEET THE COMMUNITY

Increase the visibility of your company, expand your network and establish cooperations through active exchange with likeminded people on site.

#### **2** COMPARE HOLISTICALLY

Compare different technologies and solutions directly and keep your innovations at the center of current trends.

#### **3** AUDIENCE WITH POTENTIAL

Use the advantages of direct customer contact actively and develop tangible leads from the conversations at the trade fair stand.

#### **4** PRESENT APPLICATIONS LIVE

Showcase your products and solutions properly and present your latest innovations live and in action.

#### **5** LEARN FROM OTHERS

Look beyond the horizon and get cross-industry inspiration and ideas to unlock new potentials.

#### **6** INDIVIDUALIZED PARTICIPATION

Whether you want your own stand, attractive all-inclusive offers or digital display options - you will find the exhibition format that suits you best at LightCon.

# AT A GLANCE: HERE'S HOW YOU'RE IN

#### **AS EXHIBITOR**

#### **INDIVIDUEL PARTICIPATION\***

- Total stand price starts from 2,715 Euro
- 225,- Euro/m2 (minimum size: 9 m<sup>2</sup>)
- Marketing free: 690,- Euro (mandatory)

#### **SERVICE PACKAGES\***

- WorkLoft: from 5,150 Euro (instead of 5.850 Euro) | 9, 18, 24 m<sup>2</sup>
- WorkStation: from 4,190 Euro (instead of 4,890 Euro) | 6 m²
- Startup-Workstation: from 2,390 Euro | 6 m<sup>2</sup>

#### **CO-EXHIBITOR\***

• 1,190 Euro incl. marketing fee

# COMPOSITES UNITED COMMUNITY STAND

#### **AS A STRONG NETWORK**

Demopoint 5,050 Euro (instead of 5,600 Euro)

Special conditions for CU Members

<sup>\*</sup> All prices excl. VAT.

#### SERVICE PACKAGES

## WORKLOFT - COMFORTABLY EQUIPPED & BRANDED WITH YOUR GRAPHICS

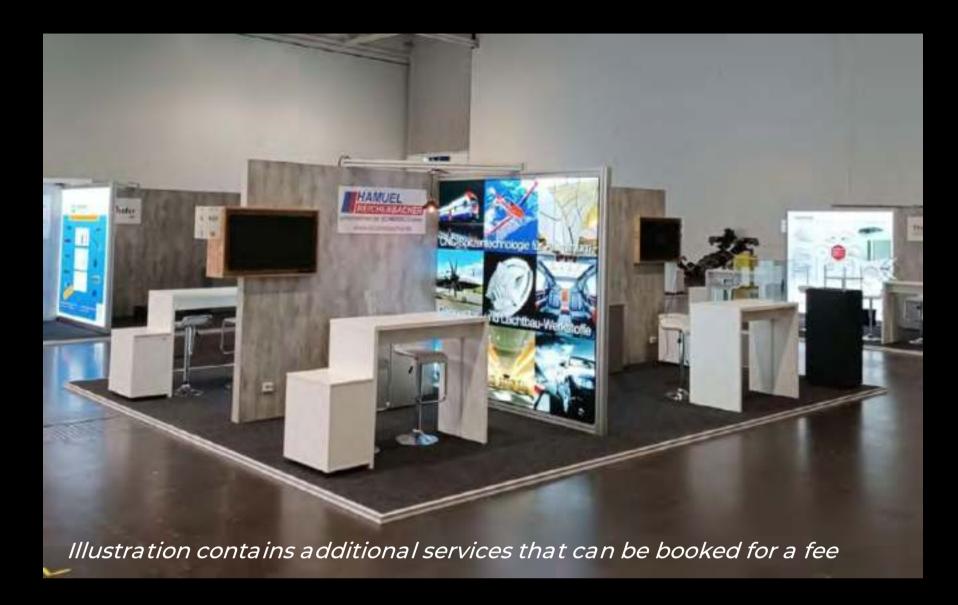

**STAND SIZE: 9, 18, 24 m<sup>2</sup>** 

#### STAND SETUP AND EQUIPMENT

- Raised floor with anthracite carpeting
- Concrete-look wall with logo panel and wall backlit with your graphic (250 x 250 cm)
- Furniture: bridge table, 2 barstools, sideboard, rollable cabinet, flyer tray (A4 size), wastepaper basket
- Lighting
- 230 V electric power (free), 3-way socket
- Wi-Fi hookup (shared medium) for five devices
- Further equipment (screen, brochure rack, cabinet, etc.) available at extra cost

#### **OTHER SERVICES**

- · Basic and daily cleaning, waste disposal
- 3 exhibitor passes
- Catering voucher package
- Comprehensive marketing services such as 20 free visitor tickets

WORKLOFT	Price* for CU members	Price* regular
9 m²	5,150 Euro	5,850 Euro
18 m²	9,150 Euro	10,350 Euro
24 m²	12,000 Euro	13,500 Euro
CO-EXHIBITOR	1,190 Euro	1,190 Euro

<sup>\*</sup> All prices excl. VAT.

#### SERVICE PACKAGES

# WORKSTATION – THE LEAN SOLUTION WITH YOUR BRANDING

STAND SIZE: APPROX. 6 m<sup>2</sup>

#### STAND SETUP AND EQUIPMENT

- Backlit stele with your individual graphic
- Exhibitor counter, 2 bar stools, rollable cabinet
- Raised floor with anthracite carpeting
- 230 V electric power (free), 3-way socket
- Wi-Fi hookup (shared medium) for five devices
