TRADE FAIR OFFER JOINT STAND JEC 2027

JEC WORLD - THE LEADING INTERNATIONAL COMPOSITES SHOW
MARCH 02.-04., 2027 | PARIS NORD-VILLEPINTE

Joint stand at the JEC

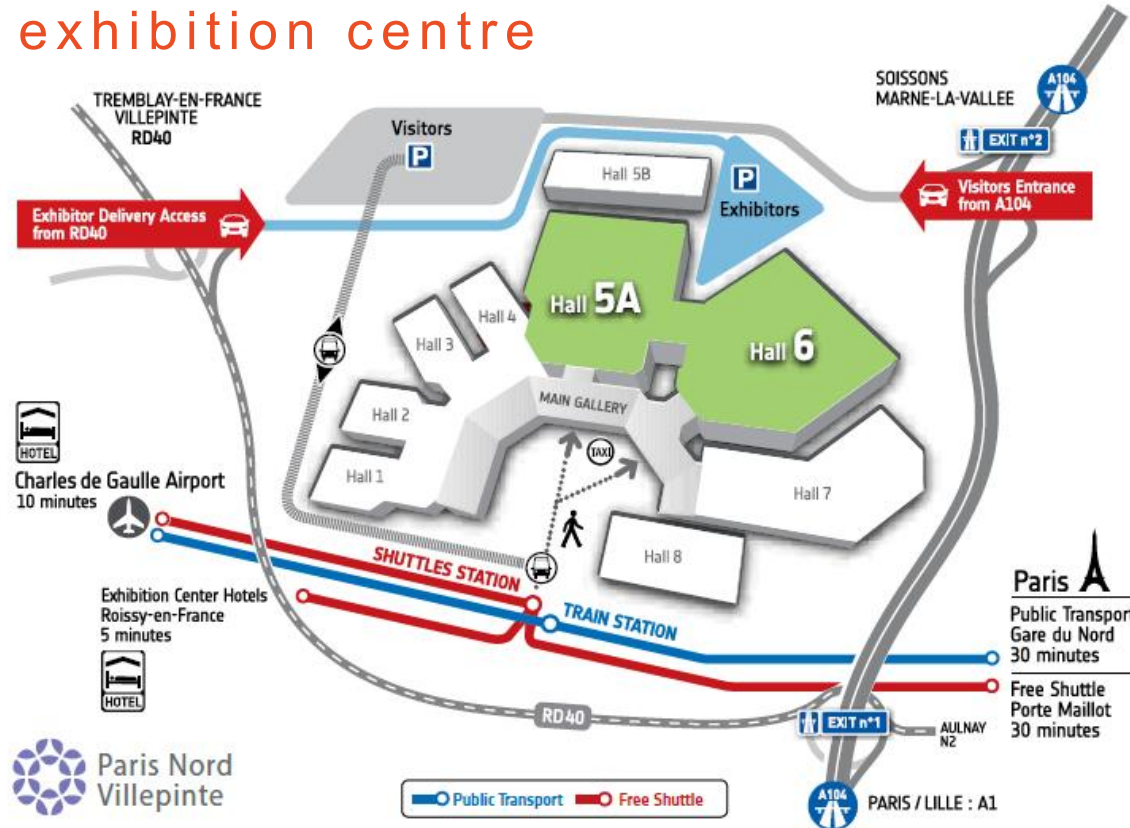

JEC World is one of the most important trade fairs for **Composites United e.V.** and its members. As a member, you are the most important part of our association, which is why we want to give you the opportunity to present yourself optimally at the JEC and, together with many other members, to present Composites United in all its diversity and size. Benefit from the shared infrastructure at the stand, the catering and the service - so that you can concentrate fully on your trade fair activities!

We have basically retained the stand design, so that you should recognize the stand from previous years from the pictures. We are also back in the **same location in Hall 6**, directly in the first block on the right. In addition to the location, we have also **been able to keep the prices the same!**

Since space is limited despite the large area, do not hesitate and book your presence at JEC 2027 at the joint stand of Composites United e.V. now!

Inclusive services for single & double stand

Inclusive services for stand areas:

- Registration and registration costs at the trade fair
- Stand planning
- Stand hire, stand construction, lighting, power supply included
- Basic equipment consisting of high-quality furniture (e.g. meeting tables, stools, brochure holders)
- Exhibition possibilities by arrangement for large and small exhibits
- Stand security and cleaning
- Graphic areas for logos and image processing (cost share according to expenditure)
- Use of communal areas for information, communication and logistics included
- Exhibitor passes and admission ticket contingent included

Supporting marketing activities:

- Basic entry in the trade fair catalogue (Buyers Guide)
- Exhibitors can submit short reports on their innovations, e.g. in the JEC Magazine
- Press work for the joint stand
- List of exhibitors on the JEC homepage

Information on Booth Allocation

Participants in the CU joint booth at the last JEC World have the “right of first refusal” on the space they occupied at the last JEC World. To this end, co-exhibitors from the last event will be the first to be informed about the CU joint booth’s offering and will also have the first opportunity to book (limited to their space).

All remaining spaces (i.e., spaces that have not been rebooked + any spaces that were not taken at the last JEC World) will then be made available for general sale. These will be allocated on a “first come, first served” basis. We will notify you in a timely manner when general sales begin.

Once general sales begin, all co-exhibitors from the last JEC World will also have the opportunity to exchange their reserved booth spaces for available spaces that may be in a better location.

Joint booth at the JEC

All-round service:

- Comprehensive services in the run-up to the trade fair (processing with the JEC, etc.)
- Use of the common areas
- Support and stand supervision by employees from the local offices in Paris
- Catering (drinks & snacks) for exhibitors and guests free of charge

Your price advantage as a member:

(exemplary calculation for a double stand)

**19,980 € (members) vs.
24,980 € (non-members)**

= 5,000 € savings

By way of comparison, the annual membership fee for a small company in the CU costs €3,000.
